

This is your opportunity to grow or start your business.

Presenting 100's of new business opportunities for small and big business in South Africa

Welcome to The Pakistan Africa Trade and Development Conference and Exhibition

The 3rd rendition of Pakistan-Africa is taking place in South Africa this November from 30 November to 01 December 2022. Entry to this Trade Expo is FREE, and is YOUR opportunity to find new products and business opportunities for your business.

The event will present hundreds of new business opportunities. From big businesses to SME's, entrepreneurs and start-ups, there will be prospects for all to connect and partner with new international brands, technologies and equipment for distribution and doing business in South Africa.

The event covers a host of sectors, including:

Agriculture; Articles of leather; Articles of plastic; Auto parts; Cement; Construction; Cutlery and kitchenware; Electromechanical machinery (pumps, generators, transformers, motors); Engineering; Home appliances; Information Technology; Packaging; Paints and chemicals; Pharmaceuticals; Rice, seafood and meat; Spices, salt and processed foods; Solar; Sporting goods; Steel and cables; Surgical instruments; Textiles and apparel; Tractors and more.

The event takes place at the Sandton Convention Centre from 30 November to 01 December 2022. For more information and to register for free, visit www.pakafrica.info or www.patdc-sce.com

Made in Pakistan. Made for you.
